SCOTTISH RITE DECLARATION OF PRINCIPLES

This Supreme Council reaffirms its unswerving loyalty to the fundamental purpose of Freemasonry, which purpose from time immemorial has been to improve and strengthen the character of the individual man, and through the individual, the character of the community, enforcing those spiritual and moral values which give the community its strength and stability.

This Supreme Council believes that this purpose is to be attained by laying a broad basis of principle upon which men of every race, country, sect, and opinion may unite.

Believing that good and true men can be trusted to act well and wisely, this Supreme Council considers it the duty of the Fraternity to impress upon its members the principles of personal righteousness and personal responsibility, to enlighten them as to those things which make for human welfare, and to inspire them with that feeling of charity, or well-wishing, toward all mankind which will move them to translate principle and conviction into action.

To that end Freemasonry requires of its members a belief in God and encourages faith in God's divine purposes and worship of God in conformity with the dictates of individual conscience. It stands for truth and justice, liberty and enlightenment, fraternity, and philanthropy.

This Supreme Council expects of its members strict obedience to the laws of the land, and respect for their country's flag. Such principles unite men and encourage the pursuit by them individually and collectively of worthy endeavors and the attainment of the purposes inherent in them. In that unity human character achieves its highest unfolding and provides man's best hope for peace on earth and good will among men.

To the furtherance of these principles, all our ritual is directed, and all our efforts are aimed. To their furtherance each Master Mason has pledged himself, and at the portal of the Scottish Rite has renewed that pledge.

This Supreme Council discountenances and rejects any attempt by any international groups or confederations of Scottish Rite Supreme Councils to legislate for individual Supreme Councils.

Recognizing that principles unite men, that programs sometimes divide them, and that the preservation of unity of purpose and devotion to principle is essential to Freemasonry the Supreme Council affirms its continued adherence to that ancient and approved rule of Freemasonry which forbids the discussion within tiled doors of creeds, politics, or other topics apt to excite personal animosities.

This Supreme Council further affirms its conviction that it is not only contrary to the fundamental principles of Freemasonry, but exceedingly dangerous to its unity, strength, usefulness and welfare for Masonic Bodies in their official capacity to take formal action or attempt to exercise pressure or influence for or against any particular legislative project or proposal, or in any way attempt to procure the election or appointment of Government officials, whether executive, legislative, or judicial, or to influence them, whether or not members of the Fraternity, in the performance of their official duties.

Affirmed – September 18, 1929.

Re-affirmed – September 27, 1934.

FRATERNAL GREETINGS

TO THE MEMBERS OF THE FALL CLASS OF 2025

We are proud and happy to welcome into our membership this fine new group of brethren in our Fall Class of 2025. In joining us you have added your strength to our cause and with your help our forward movement continues. The hand of fraternal friendship and goodwill is extended to you as you now join 4200 other Scottish Rite Masons in the Valley of Harrisburg.

The lessons you will see portrayed, the good fellowship, the many new friends, are part of the experience you will cherish from this occasion. You may be impressed with the considerable number of brethren taking part. They are men from all walks of life and every profession. They meet on the common level of service in Scottish Rite Masonry. Perhaps you feel that you would enjoy such an activity. If so, there is a place for you. Talents and skills of every variety are needed. Offer your help and share with these active brethren the fellowship and satisfaction that is the reward for participation with us.

TO OUR VISITORS AND GUESTS

A cordial welcome to you as you honor us with your presence. If you are here for the first time, we invite and urge you to make yourself known to as many of our officers and members as possible so that we may strengthen our acquaintance.

TO OUR MEMBERS

Your presence during reunions is most essential to our success. Good attendance inspires our degree personnel to put forth their best effort. You can also review and renew the lessons taught in our degrees. You profit physically, mentally, and spiritually by the relaxation of a day or two away from the press of everyday labors. Certainly, no one can discount the benefits of rededicating ourselves to the vows we made when we were initiated into Scottish Rite Masonry.

TO ALL

Our sincere desire is that your stay with us is pleasurable, profitable, and memorable.

If his Symbolic Lodge membership is held outside of Pennsylvania, he must have lived within the jurisdiction for at least one year, and evidence of good standing must accompany the petition.

Council of Princes of Jerusalem, 15° and 16°	\$ 60.00
Chapter of Rose Croix, 17° and 18°	\$ 60.00

Total.....	\$300.00

At least Fifty Dollars (\$50.00) must accompany the petition.

ANNUAL DUES

The annual dues for the four Co-ordinate Bodies of the Rite are \$95.00 plus the \$30.00 dues for Supreme Council, total of \$125.00 and should be paid in advance of August 1st each year.

PASSPORT

In 2000 the Supreme Council implemented a "Passport" booklet which replaces the former patent issued by them. The Passport is designed to maintain a record of degrees witnessed by the member as a continuous record. It must be dated and signed by the Secretary of a Valley each time a degree is witnessed.
